FROM: LT. ROGER PURCELL

SUBJ: OFFICER BOLTON

Dear Chief Mayeda

I have concluded the internal investigation on Officer Bolton. All evidence shows that Officer Bolton disregarded Department regulations in allowing Cathy Bolton into the station and free access to the files for personal gain, failed to pay for the use of the copier and allowed copies of files to be removed from this station by his wife for an attorney. Officer Bolton was given a copie of the internal investigation warning and was also read the warning. Officer Bolton was also told on what the questions would be on. Officer Bolton refused to sign or answer any questions. The internal investigation warning is set by the Federal court guidlines, Gardner V. Broderick 392 U.S. 273 88 S. CT 1913(1968)

Also Officer Bolton is again late in turning in his reports. Officer Bolton has had verbal and written reprimand. Officer Bolton was also suspended on 27 Dec 88 for refusing an order and unacceptable conduct.

In the last year Officer Bolton has made three arrest in which there is defenat violations of civil wrights. Twila Murphy case #87-249 John Charles case #87-620 and Earl Schoonover case # 87-1549. Each time Officer Bolton was verbally warned and explained what he had done wrong.

At this time we also have two written complaints on Officer Bolton from citizens. At this time I have not talked to Grace Sharclane about her complaint but I have talked to Natalia White. Again it shows that Officer Bolton failed to do his duty as a Police Officer and follow order from Officer Rousculp who was Officer Bolton supervisor while we were away. Natalia White has also filled a statement with the AWARE and the courts on this matter.

After reviewing the evidence and past work history I will have to recomend Officer Bolton's Discharge from this department.

Sincerely

R. J. Purcell
