RE: Request for Leave

DATE: 12-28-87

I have read your memo for request for leave and would like to say I know how important it is to you, but I have to tell you that if you do go, you will be causing the our dept. to lose approx. \$1,000 - by going to this training

I have talked to Capt. Badger from Juneau, at 586-3492, on the training and he said that changing your training date would be no problem. They is that very same training set up for Feburary or March of '88. All you have to do is go through the chain of command to change your date of request to either Feburary or March.

Capt. Badger said he would highly recommend that you change your request to either Feburary or March, and if you have any questions you can come in to my office and we can call him. Also said that he does not want to cause the City of Hoonah any problems, but would rather you work it out.
